

Non-Traditional *In Situ* Vitrification

Science and Technology

- **Objective**

- ♦ Demonstrate NT-ISV at TA-21, MDA-V

- **Approach**

- ♦ Melt from bottom to top
- ♦ Acceptance as option by regulators

- **Benefits**

- ♦ Contain contaminants in place
- ♦ No long-term monitoring required

- **Industrial Partners**

- ♦ MSE-TA, Butte, Montana
- ♦ Vendor: Geosafe Corp.
